## DISCIPLESHIP

### New Rector's Forum Today

This class will read, mark, and inwardly digest the Rule of Benedict in small daily portions with the help of a study guide, and likewise read *Beowulf* with the help of contextual commentary. The class lectures and discussion will seek to link these two worlds and elucidate these diverse literary genres by situating them in the early Christian monastic mission. *The Ballad of the White Horse* by G.K. Chesterton will help us make this imaginative journey from past to present.

This class is designed for all those participating in our May 2019 retreat at Shrine Mont. It will also serve as an introduction to our St. Patrick the Peacemaker pilgrimage, May 25-June 5.
