## Learning to Love Like God

One of the primary descriptors of God in the Bible is God as father. He relates to us in the same way that a father relates to his children. This means that if we want to learn to love like God, then we have to learn to love the way that a father loves children. Each and every one of you has an opportunity to learn to love like God by loving children here at Truro. We invite you to join us in the Undercroft immediately following each service to learn how you can pray and support kids here at Truro, and in the process learn how to love like God.

**i** Come to the Undercroft after the service. Hear about our growing Kids Ministry, and find out how you can be involved!

## Alpha: What Are Some of Your Questions?

Thu, Apr 27 | 7:00 pm | Undercroft

As soon as we start putting together our own thoughts as a child, we start to question:

Why do I have to go to school?

Why can't I eat chocolate all day?

How does this clock work?

Why do I have to go to school AGAIN?

CONTINUED ON NEXT PAGE

## Alpha

CONTINUED FROM PREVIOUS PAGE

Don't lose your child-likeness. We all have questions. Maybe they get "bigger" as we get older: How does the world work? Why am I here? But for some reason it can be difficult to explore them. This is where Alpha can be useful. It allows us to wrestle with these "bigger" questions in a safe and small community.

So, don't feel the need stop searching. Alpha is the perfect avenue for every inquisitive, child-like person.

## TIPS

### Come Join Us This Summer at TIPS!

#### One-on-One TIPS Summer Conversation Program

TIPS is looking for volunteers to serve as conversation partners with our students over the summer. We ask that each volunteer attend an orientation in May and schedule at least six meet-ups with their conversation partner.

**i** Interested? For more info, contact [tips@truroanglican.com](mailto:tips@truroanglican.com).

#### NEW! TIPS Befriending a Family Program

The heart of this program is to introduce Truro and TIPS families to each other with the desire for them to get to know each other better over two or more meals during the summer. Scheduled meals are up to the coordination and preference of both families (e.g. have a meal at home or a picnic at the park). Hospitality and simplicity is the key.
