A SONG OF ASCENTS.

- ¹ Blessed is everyone who fears the LORD, who walks in his ways!
- ² You shall eat the fruit of the labor of your hands; you shall be blessed, and it shall be well with you.
- ³ Your wife will be like a fruitful vine within your house; your children will be like olive shoots around your table.
- ⁴ Behold, thus shall the man be blessed who fears the LORD.
- ⁵ The LORD bless you from Zion! May you see the prosperity of Jerusalem all the days of your life!
- ⁶ May you see your children's children! Peace be upon Israel!

TEACHING

Fellows Program Launch

We are so excited to announce our participation in the launch of the Metro Fellows program in partnership with Christ Church Vienna and Church of the Ascension (Arlington). The Fellows program is a year-long vocational discipleship program for new and recent college graduates, starting this September. Fellows spend two days a week serving in the church and three days a week in an outside internship while living with a church host family and participating in intentional development and educational opportunities with the Fellows from our partner churches. It is a fantastic opportunity for Truro to invest in the next generation and for young people to grow into their vocational calling while serving in the church.

i Look for more information next week and on our website, and please be praying that God brings the right Fellows to partner in our work at Truro! If you are about to graduate from college, are a recent graduate, or know someone who might be interested in this program, please contact Mike Seawright, mseawright@truroanglican.com, or stop by the Family Ministry welcome table.

TEACHING

Living Relationally Class

Mon(s), May 2 - Jun 20 | 10:00 - 11:00 am
Common Grounds

Living Relationally examines what life could be like if you had the relational skills to connect easily with God and others. Learn to live a life focused on relationships instead of one focused on success or performance. Based on a compilation of key concepts from the Live Model, Living Relationally is for people who want to learn exercises that will transform your life through increasing maturity and attunement to God.

In this class, you will begin to train your brain to receive and give joy, return to joy from distress, build joy with others, and connect better with God. Topics integrate neuroscience with the Bible, and relational exercises help rewire our brains to live in joy and peace, the quiet face of joy.

Please note that due to the All Parish Retreat, there will be no KidZone, Wee Worship or Family Sunday School today. Nursery will still be provided.

Got Kids and not sure where they are supposed to go? Visit the Family Ministry welcome table on the patio or pick up a "Got Kids?" brochure from an usher.

New to Truro Anglican?
