### Alpha—The Party Is HERE!

Kickoff Party | Thu, Sep 28 | 6:30 pm | Undercroft

Have you ever felt alone? Alone in your questions, like you couldn't (or shouldn't) have questions about faith? Or simply alone in a transient and fast-moving culture?

Here at Truro, we make space for something called Alpha. It's a 10-week community to learn together and explore big questions; none are too hostile or too simple. We'll EAT together and LISTEN to a talk on topics from the meaning of Jesus' death to evil. Then we DISCUSS what we think about it. Join us this Thursday for our kickoff party to get a taste of Alpha.

**i** Register at [truroanglican.com/alpha](http://truroanglican.com/alpha) or email Michael King: [mking@truroanglican.com](mailto:mking@truroanglican.com). Childcare/kids programs up to 8th grade.

### Rooted Starts This Week!

If you are looking to connect more deeply with God, the Church, and your purpose, join us for Rooted—a 10-week discipleship experience designed to launch new ongoing groups. It starts this Thursday! If you'd like to join us, please register in advance to help us plan.

**i** Register at [bit.ly/rooted-fall2017](http://bit.ly/rooted-fall2017), or contact Hannah King with questions at [hking@truroanglican.com](mailto:hking@truroanglican.com).

## ADULT EDUCATION

### Sunday Classes for Everyone

All classes start at 10:30 am, between our two main services.

**Membership Class, thru Oct 8:** A discussion-based class on the mission and vision of Truro.

**Anglican Essentials, Oct 15-29:** After the Membership class concludes, Paul Julienne will lead a three-week discussion on the "essentials" of the Anglican tradition.

**Adult Bible Study:** A discussion with Mike Seawright of the same Scripture texts that the children will be studying.

**Rector's Forum:** Tory Baucum and Alicia Bradford will teach on John Paul II's Theology of the Body. This class will look at the nature of the human person made in the image of God, human freedom, sexuality, being male and female, and the family, in light of both this big cosmic picture and the current challenges we are facing today.
